SPONSORSHIP OPPORTUNITIES

Westside Family Healthcare

We treat you well.

In 1988, a group of volunteer nurses opened Westside Family Healthcare with dreams of filling the need for quality healthcare on the west side of Wilmington. Thirty-six years later Westside continues to be a leader in community health serving Delaware's families most in need. As we look forward to 2024, we are committed to continuing to improve access to healthcare, regardless of ability to pay.

Westside Family Healthcare is a nonprofit community health center operating five clinical sites and a mobile health unit across the state of Delaware. At Westside, we reach beyond conventional medicine to address social, emotional, and economic factors that affect our 28,000 patients.
